

- successfully in use for more than 30 years
- proven for industrial and pharmaceutical applications
- Compliant with Pressure Equipment Directive 2014/68/EU (PED )
- Short delivery times for new devices, service and spare parts & advice
- Reliable and low maintenance costs
- Extensive documentation of the devices (ATEX , FDA, WAZ 3.1 DIN EN 10204)

**IDAG Low-pressure reducing valve type ZM-R15-100** (Inline valve) in stainless steel 1.4571 or Hastelloy

**IDAG Low-pressure overflow valve type ZM-B15-100** (Inline valve) in stainless steel 1.4571 or Hastelloy

Control range -1000 mbar to 2500 mbar

Connections Flange according to EN1092-1 Nominal size: DN25 / ANSI 1", thread BSP/G & NPT, clamp connections in stock, customer-specific connections on request.

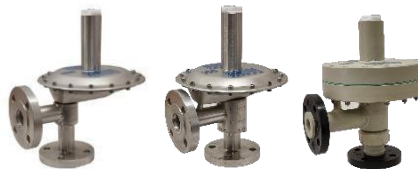

**IDAG Low-pressure reducing valve type LPR** (angle valve) in stainless steel 1.4571, Hastelloy, PE, PP & PVDF

**IDAG Low-pressure overflow valve type LPS** (angle valve) in stainless steel 1.4571, Hastelloy, PE, PP & PVDF

Control range -1000 mbar to 2500 mbar

Connections Flange according to EN1092-1 Nominal size: DN25 / ANSI 1", thread BSP/G & NPT, clamp connections in stock, customer-specific connections on request.

**IDAG High pressure reducing valve type PR15-100** (Inline valve) in stainless steel 1.4571 or Hastelloy

**IDAG High pressure overflow valve type PPR15-100** (Inline valve) in stainless steel 1.4571 or Hastelloy

Control range 0,5 bar to 40 bar

Connections Flange according to EN1092-1 Nominal size: DN15 – DN100 / ANSI 1/2" – 4", thread BSP/G & NPT, clamp connections in stock, customer-specific connections on request.

**IDAG non- return valve type PRR15-100** (Inline valve) in stainless steel 1.4571 or Hastelloy

Connections Flange according to EN1092-1 Nominal size: DN15 – DN100 / ANSI 1/2" – 4", thread BSP/G & NPT, Clamp-connections in stock, customer-specific connections on request.

**IDAG pressure regulators** are being produced for more then 30 years on locations in Grenzach-Wyhlen, Germany and Augst, Switzerland.

**Zastopa in prodaja:**

**SENSOR**
